TIOGA COUNTY FLOOD RECOVERY GRANT

Applications Available Now

[Wellsboro, PA, August 28, 2024] If you suffered the loss of your hot water heater or other home damage because of Tropical Storm Debby, and you are a resident of Tioga County, PA, you may be eligible for a grant to cover the costs of a new hot water heater. Efforts will also be made to help identify additional resources that may become available to assist you with flood recovery efforts.

Applications are available on [Develop Tioga's website](#). Paper copies of the application are available by contacting Develop Tioga at info@developtioga.org or by calling 570-723-8232. Paper copies will also be available at the Westfield Borough office beginning August 29, 2024.

Please Note: If you filled out a Tioga County Hot Water Heater Grant Application you do not need to complete a Tioga County Flood Recovery Grant application. Develop Tioga will follow-up with you for additional information.

Priority for the Hot Water Heater grants will be for Tioga County, Pennsylvania residents still in need of hot water heaters for their primary residence. Applications will be processed as quickly as possible, and home visits to process applications will begin Thursday, August 29, 2024. If you are not home at the time of the visit, Develop Tioga will contact you to follow up.

Funding for these grants is based on available funds made possible through the Tioga County Flood Relief Account donations accepted by the [Tioga County Partnership for Community Health](#). Hot water heaters for approved grant recipients have also been generously donated by the Lions Club. If you are approved for a grant, funds will be paid directly to an approved vendor or contractor providing the hot water heater.

Develop Tioga is a certified Pennsylvania Certified Economic Development Organization (CEDO) serving the Tioga County, Pennsylvania area.
